Scientific Sessions

<i>Adamus, Paul R. and Larsen, Kit: Oregon's Breeding Bird Atlas, 1995 - 1999</i>	1
<i>Bowler, Dr. Peter A., Bird Use of a Wetland Enhancement Project at San Joaquin Marsh, University of California at Irvine</i>	2
<i>Bowler, Dr. Peter A., Nesting of California Gnatcatcher in Restored Area</i>	3
<i>Cooper, Dan: California's Important Bird Area Program</i>	4
<i>Del Nevo, Adrian: One Good Tern Deserves Another: Tern Conservation Ecology in the South Caribbean</i>	5
<i>Dunn, Jon: Proposed Division of Interior & Coastal Scrub Jay</i>	6
<i>Erickson, Richard: Baja California Avian Species Survey</i>	7
<i>Floyd, Ted and Chisholm, Graham: The Autumn Seabird Flight at Pyramid Lake, Nevada</i>	8
<i>Haas, Bill: Nesting of Black-throated Magpie Jay in Tijuana River Valley</i>	9
<i>Hall, Gail and Shields, William: Disturbance Patterns and Community Structure: Even age forest management and avian community structure in coastal temperate rainforests</i>	10
<i>Hamilton, Robb: California Gnatcatcher Monitoring in the Nature Reserve of Orange County, 1999-2001, Results, Analysis, and Implications (in press)</i>	11
<i>Keane, Kathy and Fancher, Jack: California Least Tern Population: status and trends</i>	12
<i>Norris, Larry: Park Flight Migratory Bird Program: conserving migratory birds through international partnerships</i>	13
<i>Piper, Walter: Report on Long-Term Study of Breeding Loons: status and distribution</i>	14
<i>Purvis, Dick: Success of Western Bluebird Nestingbox Program in Orange County</i>	15
<i>Scott, Jason: Mixed Species Flock Composition in a Coastal Riparian Habitat in Central California</i>	16
<i>Thomas, Scott Report on the Status of Urban Raptors in Southern California: population, breeding, nesting and presentation of follow-up data on banding project</i>	17
<i>Tischer, Christine: Nestbox Utilization by Tree Swallows at the San Joaquin Wildlife Sanctuary: A 3 year analysis</i>	18

Poster Session

<i>Condon, Anne, Sullivan, B. L., Kershner, E. L., Cooper, D. M., and Garcelon, D. K.: Spotlighting-a Viable Method for Surveying Grassland Owls?</i>	19
<i>Garrett, Dr. Kimball: Naturalized Parrots in California: Is "Exotic" Becoming Invasive?"</i>	20
<i>Suellen, Lynn, Kershner, E. L., Garcelon, D. K.: What is missing from San Clemente Loggerhead Shrike Habitat?</i>	21
<i>Sullivan, Brian L., Condon, A. M., Kershner, E. L., Finn, S. P., Cooper, D. M., Garcelon, D. K Characteristics and Density of Cliff-Nesting American Kestrels on San Clemente Island, California</i>	22
<i>Sullivan, Brian L., Condon, A. M., Kershner, E. L., Finn, S. P., Cooper, D. M., Garcelon, D. K.: A Comparison of Red-tailed Hawk and Common Raven Nest Sites in a Small Island Ecosystem</i>	23
